Beginners Meeting Workshop

Time: Tuesdays, June 16th—July 7th

5pm—6pm

Location: Shoreline Covenant Church

1330 N 185th St, Shoreline, WA 98133

AA Beginner's Meetings in the 1940's were highly effective in getting people through the steps, yielding 75—93% long term sobriety rates. The 12 steps were worked quickly and often. You will experience 4 — 1 hour meetings that were typically experienced over a month. But early AA's got sober and stayed sober while working the 12 steps in a matter of days to a few weeks and then working steps 10, 11 and 12 everyday.

Wanting freedom from Lust?

Come join us in taking the 12 steps as they were taken in the early days of AA.

What you will need:

1. The <u>desire</u> to get sober from lust

2. The <u>willingness</u> to follow a few spiritual guidelines and take action.

3. An Alcoholics Anonymous Big Book

4. A Sponsor or Sharing Partner (You need a sponsor/ sharing partner for this experience. If you don't have one, please call and we will help find one)
